PILATES TEACHER TRAINING PROGRAM SCHOLARSHIP

Community Enrichment Teacher Training Scholarship Guidelines

The goal of the Studio7 Community Enrichment Scholarship Program is to increase the diversity and inclusion of the Pilates profession by training teachers who come from Black and other underrepresented communities within the Pilates industry.

Studio7 has been offering Pilates Sports Center Teacher Training for more than 5 years, with PSC teaching throughout Kansas City. However, we estimate fewer than 3% of these teachers are from underrepresented communities. We would like to change that by offering this scholarship to BIPOC and LGBTQ+ community members who are also Pilates and fitness enthusiasts.

By training and empowering diverse Pilates teachers, we hope to improve the culture of our profession in Kansas City and enrich the experience of all who participate in Pilates.

The Studio7/PSC Scholarship includes:

- Partial tuition for Comprehensive Pilates training on Mat, Reformer, Cadillac, Wunda Chair, as well as Philosophy and Fundamentals - this training is only applicable to the full comprehensive program, not modular
- Access to Studio7 for practice teaching, observation and self-integration
- Discounted group classes
- Access to PSC's digital portal for six months from the first week of class
